Internal Quality Assurance Cell

(आंतरिक गुणवत्ता आश्वासन प्रकोष्ठ)

About Internal Quality Assurance Cell (IQAC)

As per National Assessment and Accreditation Council (NAAC) guidelines every accredited institution should establish an Internal Quality Assurance Cell (IQAC) as a post-accreditation quality sustenance measure. Since quality enhancement is a continuous process, the IQAC becomes a part of the institution's system and works towards realization of the goals of quality enhancement and sustenance.

The prime task of the IQAC is to develop a system for conscious, consistent and catalytic improvement in the overall performance of institutions.

SIET was accredited by AICTE and RGPV University Bhopal. IQAC established at SIET continued to strive for the betterment of processes and setup.

Taking the concrete step further SIET has established a concrete central IQAC hosted in MIS Cell of SIET.

Goals of IQAC (The primary aim of IQAC is)

To develop a system for conscious, consistent and catalytic action to improve the academic and administrative performance of the institution.

To promote measures for institutional functioning towards quality enhancement through internalization of quality culture and institutionalization of best practices.
